

Template for the exercise “Your own stereotypes according to Fiske et al.” in Chapter 1 of the book
Cultural Sensitivity Training: Developing the Basis for Effective Intercultural Communication
 by Susann Kowalski.

Person	Social status (compared with yours – higher or lower)	Competition (yes or no)	Stereotype (according to Fiske)
An elderly person			
A disabled person			
A celebrity			
A welfare recipient			
A migrant in your country			
A fellow student who has better grades than you			
A colleague at work who earns significantly more than you do
